Item 4. Purpose of Transaction

Founder Shares

In December 2020, Sponsor purchased 9,816,667 founder shares, classified as shares of Class B common stock (the "Founder Shares"), for an aggregate purchase price of \$25,000. The Founder Shares include an aggregate of up to 1,250,000 Class B shares subject to forfeiture to the extent that the underwriters' over-allotment option in connection with the Issuer's initial public offering (the "IPO") is not exercised in full or in part, so that the Sponsor will own, on an as-converted basis, 25% of the Issuer's issued and outstanding shares after the IPO (excluding the shares of Common Stock underlying the Placement Units (defined below)). The Founder Shares will automatically convert into shares of Common Stock at the time of the Issuer's initial business combination (the "Business Combination") on a one-for-one basis, subject to adjustment pursuant to certain anti-dilution rights.

Placement Units

On March 19, 2021 as part of a Private Placement Units Purchase Agreement dated March 16, 2021 (the "Unit Subscription Agreement"), Sponsor purchased 700,000 placement units (the "Placement Units") from the Issuer for an aggregate purchase price of \$7,000,000. Each Placement Unit consists of one share of Common Stock ("Placement Share") and one-third of one redeemable warrant (each, a "Placement Warrant"). Each whole Placement Warrant is exercisable to purchase one share Common Stock at a price of \$11.50 per share, subject to adjustment, during the period commencing on the later of (i) twelve (12) months from the date of the closing of the IPO and (ii) 30 days following the consummation of the Business Combination.

The foregoing description of the Unit Subscription Agreement does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the agreement, which is attached as an exhibit hereto and incorporated herein by reference.

Letter Agreement

Sponsor and the Issuer entered into a letter agreement (the "Letter Agreement") pursuant to which Sponsor agreed to (i) waive its redemption rights with respect to its Founder Shares and Common Stock in connection with the completion of the Business Combination, (ii) waive its redemption rights with respect to its Founder Shares and Common Stock in connection with a stockholder vote to approve an amendment to the Issuer's amended and restated certificate of incorporation (A) to modify the substance or timing of the Issuer's obligation to allow redemption in connection with the Issuer's Business Combination or certain amendments to the Issuer's charter prior thereto or to redeem 100% of the Issuer's Common Stock if the Issuer does not complete the Business Combination within 24 months from the closing of the IPO or (B) with respect to any other provision relating to stockholders' rights or pre-Business Combination activity and (iii) waive its rights to liquidating distributions from the trust account with respect to its Founder Shares if the Issuer fails to complete the Business Combination within 24 months from the closing of the IPO, although Sponsor will be entitled to liquidating distributions from the trust account with respect to any Common Stock it holds if the Issuer fails to complete the Business Combination within the prescribed time frame.

Voting Agreement

Pursuant to the Letter Agreement, Sponsor agreed to vote any Founder Shares, Placement Shares, and any Common Stock purchased during or after the IPO (including in open market and privately negotiated transactions) in favor of the Business Combination. If the Issuer submits the Business Combination to its public stockholders for a vote, the Issuer will complete the Business Combination only if a majority of the outstanding shares of Common Stock voted are voted in favor of the Business Combination.

Lock-up Agreement

Further pursuant to the Letter Agreement, Sponsor agreed that the Founder Shares, Placement Units, and securities contained therein are not transferable or salable (x) (a) with respect to 25% of such shares, until consummation of the Company's initial Business Combination, (b) with respect to 25% of such shares, when the closing price of the Common Stock exceeds \$12.00 for any 20 trading days within a 30-trading day period following the consummation of a Business Combination, (c) with respect to 25% of such shares, when the closing price of the Common Stock exceeds \$13.50 for any 20 trading days within a 30-trading day period following the consummation of a Business Combination, and (d) with respect to 25% of such shares, when the closing price of the Common Stock exceeds \$17.00 for any 20 trading days within a 30-trading day period following the consummation of a Business Combination or earlier, in any case, if, following a Business Combination (y) the Company completes a liquidation, merger, stock exchange or other similar transaction that results in all of the Company's stockholders having the right to exchange their shares of Common Stock for cash, securities or other property.

The foregoing description of the Letter Agreement does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the agreement, which is attached as an exhibit hereto and incorporated herein by reference.

Registration Rights Agreement

In connection with the closing of the IPO, the Issuer entered into a registration rights agreement (the "Registration Rights Agreement") with Sponsor, pursuant to which Sponsor is entitled to make up to three demands, excluding short form demands, that the Issuer register Founder Shares, Placement Units, any Common Stock issuable upon the exercise of Placement Warrant, any Common Stock issuable upon the conversion of the Founder Shares, and any Common Stock that may be issued as part of working capital loans. In addition, Sponsor has certain "piggy-back" registration rights with respect to registration statements filed subsequent to the Business Combination and rights to require the Issuer to register for resale such securities pursuant to Rule 415 under the Securities Act.

The foregoing description of the Registration Rights Agreement does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the agreement, which is attached as an exhibit hereto and incorporated herein by reference.

General

The Reporting Persons acquired the securities described in this Schedule 13D for investment purposes and intend to review their investments in the Issuer on a continuing basis. Subject to the terms of the Letter Agreement, any actions the Reporting Persons might undertake may be made at any time and from time to time without prior notice and will be dependent upon the Reporting Persons' review of numerous factors, including, but not limited to: an ongoing evaluation of the Issuer's business, financial condition, operations and prospects; price levels of the Issuer's securities; general market, industry and economic conditions; the relative attractiveness of alternative business and investment opportunities; and other future developments.

Subject to the terms of the Letter Agreement, the Reporting Persons may acquire additional securities of the Issuer, or retain or sell all or a portion of the securities then held, in the open market or in privately negotiated transactions, including pursuant to registered transactions pursuant to the Registration Rights Agreement. There can be no assurance, however, that any Reporting Person will propose such a transaction or that any such transaction would be successfully implemented.

Other than as described above, the Reporting Persons do not currently have any plans or proposals that relate to, or would result in, any of the matters listed in Items 4(a)-(j) of Schedule 13D, although, depending on the factors discussed herein, the Reporting Persons may change their purpose or formulate different plans or proposals with respect thereto at any time.
